

Overview

The Canadian Angelman Syndrome Society (CASS) is a national organization (registered charity) dedicated to supporting individuals with Angelman syndrome, their families and others who care. CASS provides numerous support services and access to multiple resources to help families and care providers navigate through their journey with Angelman syndrome, including funding education and communication initiatives, clinical support, research and community events. CASS is run by a volunteer Board of Directors who dedicate their time and expertise towards mitigating challenges that individuals with Angelman syndrome and their families and/or care providers experience on a daily basis.

Opportunity to be a Member at Large:

- Regularly attends board meetings and important related meetings.
- Makes serious commitment to participate actively in committee work.
- Voting member of the board.
- Volunteers for and willingly accepts assignments and completes them thoroughly and on time.
- Stays informed about committee matters, prepares themselves well for meetings, and reviews and comments on minutes and reports.
- Gets to know other committee members and builds a collegial working relationship that contributes to consensus.
- Serves on committees or undertakes special projects as required.
- Fundraise and participate in CASS' fundraising initiatives

Time Commitment:

- Quarterly Meeting of the Board of Directors
- Monthly planning meetings for fundraising initiatives, third Wednesday of each month – approx. 1 - 2 hours
- Participation in any chosen committees would each have its own time commitment depending on activity throughout the year.
- a public voice and advocate for its cause.

Term Length:

This is a two (2) year term position.

To Apply for this Position:

Please forward a Cover Letter and Resume / CV to:

- Brad Schiele, President, Canadian Angelman Syndrome Society
